Introducing...(drum roll)... Hampden the Horizon Hamster, or Hammy for short!

Hammy was created by John Hampden students and starred in a 'Twelve Days of Christmas' comic which they sold and raised £150 for the club. Our thanks to them and well done Hammy!

And an extra thank you to London & Counties for printing the comics.

We now need a sponsor for Hammy so he can have a nice new suit and attend events to promote Horizon. Any offers or suggestions please let Anita know.
